KEV NTSEEG LEEJ NIAM FUND

About Our Endowment Fund

Kev Ntseeg Leej Niam (belief in Our Mother) Fund was established in December 2018 at InFaith Community Foundation. The purpose of the endowment fund is to provide a perpetual source of income to fulfill Kev Ntseeg Leej Niam’s mission of promoting Leej Niam’s teachings. Her teachings will be seen through countless acts and various forms of giving back to our community.

Supporting Our Mission

Our endowment fund will support three categories: Missions, activities, and capital projects. The purpose of the missions category is to provide support for local, regional, and world projects. The endowment fund will support educational, cultural, and social activities. Capital projects include things such as the development of the Kev Ntseeg Leej Niam temple and community.

Why Give?

Leej Niam (Our Mother) teaches us to love, care, respect, and show kindness to one another. Her teachings encourage working together to conserve the beautiful earth and living beings that Leej Niam gave us.

By giving to our endowment fund, you are supporting a religion that inspires continuous human kindness and the conservation of a home that belongs to all of us.
