OUR SOLUTIONS

Kev Ntseeg Leej Niam Kee Tiam Vaj Lis Thum - Niam Ntuj Plawv Yis Fai's administrators are in the developmental stages of establishing a positive and welcoming community for believers of Leej Niam's teachings. In order to operate this program, our organization has successfully raised the support required to purchase 170 acres of land. In the upcoming fiscal years, our administrators will build a temple, apartment buildings, single family units, and school for community members to utilize.

Due to Leej Niam's unwavering love for environment, nature, and all living beings, approximately six acres of our community is preserved as parkland for wildlife and recreational area for our residents and visitors. In addition to the parkland, there are almost 30 acres of natural wetlands and loop trails that are incorporated into the park layout in order to preserve the natural beauty that surrounds Leej Niam's community.

Adjacent parkland and wetlands, along with the outdoor museum, provide multiple walking trailheads and trails that provide our residents and visitors with access to the park. Wildlife Interface will be featured with 36 acres of wetlands throughout the property. Our outdoor museum will display the traditional culture of the Hmoov Ntuj (arts, crafts, artifacts, musical instruments, etc.) and the modern culture in Zos Hmoov Ntuj (Leej Niam Community).

The initial component of our programmatic activities is to construct and establish the temple that will accommodate our weekly religious services. Kev Ntseeg Leej Niam Kee Tiam Vaj Lis Thum - Niam Ntuj Plawv Yis Fai will offer worship services and religious programs for the community to attend on Sundays and Saturdays. Our Leej Niam based services are designed to bring our community together and guide them as they navigate their personal development and spiritual growth. In addition, Kev Ntseeg Leej Niam Kee Tiam Vaj Lis Thum - Niam Ntuj Plawv Yis Fai will provide language and cultural training of the Hmoov Ntuj, comprehensive religion and environmental training, and enriching children's programs.

Kev Ntseeg Leej Niam Kee Tiam Vaj Lis Thum - Niam Ntuj Plawv Yis Fai will also establish multiple housing units that can accommodate a variety of family sizes. We aspire to construct a variety of apartment buildings, common house, and single family units for followers of Leej Niam. The roofs of our homes will be designed with Leej Niam's headdress and will open up to look into the community and have private spaces that are out of view.

Our vision is to reach out to those individuals and families who have been left behind and help them to reclaim a prominent and productive place in our society. We accomplish this by offering housing services and religious programs specifically designed to meet the needs of those groups of people whom have fallen through the cracks of society.
